- Tips

Itinerary:

Day 1: Transfer to Santa Cruz / Charles Darwin Station / Bahía (Bike) (B, L)

Transfer from Baltra to Puerto Ayora. Visit Charles Darwin Station by bike, which is primarily an international scientific research station located on the outskirts of Puerto Ayora. Charles Darwin is a scientific research center where we can learn about geology, climate, natural history and the conservation of the Galapagos Islands. Bay City Tour. Accommodation (Santa Cruz).

Day 2: El Chato (Horseback Ride) + Garrapatero Beach or Kayak +Tortuga Bay Beach

(B, L)

Breakfast in the hotel. We give you the option of going on one of these two excursions, please let us know by booking your trip!

Option one: Our guide will pick you up from the hotel to the upper part of the island known as the "El Chato" ranch to see giant tortoises in a free environment. Then, we will visit the Twin Craters which are surrounded by lush green forests, dominated by endemic Scalesia plants. And you can have between 1 to 2 hours of horseback riding in this area. Afterwards, we will visit Garrapatero Beach where you will enjoy the unique beach surrounded by its natural environment.

Option two:

This morning we will have a great opportunity to explore a different landscape, Punta Estrada, and Divine Bay by sea kayaks. We paddle through serene turquoise waters that meander through towering lava channel walls. You can also paddle right up to the fearless blue-footed boobies, lava gulls, herons, sally light-footed crabs, and marine iguanas perched along the cliffs.

After lunch, we take a 50-minute hike (each way) to Tortuga Bay through a unique dry forest. Along the hike, you will find many birds and interesting plants. When you reach the beach, you will hardly believe your eyes, as this is one of the most beautiful beaches in the Galapagos. Relax on its fine sands or in its turquoise waters! Overnight in Santa Cruz.

Day 3: Transfer by boat to Isabela / Tintoreras (Kayak) (B, L)

At 6:30 am we will pick you up at the hotel and accompany you to the port, where you will take the shared boat at 7:00 am to Isabela (approximately 2 hours of travel). Our staff will greet you and escort you to your hotel for check-in. On this wonderful island. We will have the kayaking activity in Tintorera, which is the name that this small reef shark has received, also known as the white tip coral shark and which is one of the 400 species of sharks in the world. Private service. Accommodation (Isabela).

Day 4: Cabo Rosa / Concha Perla (Snorkel) / (B, BL)

We will take a boat to Cabo Rosa (45 minutes by boat), where the lava flowed into the ocean and formed beautiful lava tunnels. There you can see penguins, blue-footed boobies, and sea turtles. In this place we can snorkel. You will have the opportunity to see sharks, sea turtles, sea lions, rays, seahorses and many tropical fish. The excursion to Cabo Rosa lasts approximately 5 hours. The rest of the day is free. You can enjoy the beautiful beach in Isabela or you can dive in the Concha de Perla Lagoon (snorkeling equipment at free time is not included, but can be hired locally). Accommodation in (Isabela)

Day 5: Sierra Negra Volcano (Hike) / (B, BL)

The tour starts early in the morning, we pick you up from the hotel to take you to the starting point of the trek, which is 30 minutes from Puerto Villamil and continues along the path that leads to the Sierra Negra volcano. The hike lasts between 4-5 hours and most of the trail is flat, with few ups and downs. During the journey there are five stops: at the beginning there are two to take a panoramic view of the volcano's crater, one more to the small volcano and two more stops to refresh and eat lunch. Accommodation in Isabela or Santa Cruz

Day 6: Transfers between Islands to get to the airport in Santa Cruz / (B)

Breakfast at the hotel and then your driver will take you to the Itabaca Canal, which you will cross on a ferry. Finally, to the airport in Baltra. Please note that your flight does not depart before 12:30 pm.

Note: Itineraries are subject to change without notice due to seasonal changes, last minute weather conditions, and adjustments to Galapagos National Park policies.
