

MINDO CLOUDFOREST ADVENTURE

Full day

Duration: 10 hours

Pick up time: 08:00 am

Itinerary:

The tour starts at 8 am from your hotel in Quito, and then get stunning views of the Andes Mountains as you drive northwest to the unique Hummingbird Garden. See 15 to 20 different species of hummingbirds, depending on the season or time of the day, and try local tropical fruits. Take a 1- 2-hour walk into the cloud forest to admire the diverse flora and fauna up close. Look for endemic species of plants and some birds found nowhere else on earth as you encounter a series of beautiful waterfalls. Reach the protected Mindo Cloud Forest Reserve to experience the astonishing beauty of one of the highest biodiverse sites in the world. Avail of all the activities at your own expense, such as a zip line across the forest canopy, chocolate tour, tubing, or rappelling down rocks. Enjoy lunch at a local restaurant that offers typical Ecuadorian meals and finally return to Quito.
